The Waterton Lions Leadership Camp is held in the breathtaking Rocky Mountains in Alberta, Canada, and is dedicated to growing your leadership, teamwork, and community skills. We believe in fostering a connected community of Albertan and International youth leaders who have the potential to inspire changes around the world.

We designed this camp experience for youth who are serious about becoming leaders in their home communities. Your experience will be filled with various seminars, activities, and classes which will cover a huge range of topics and skills, such as: Effective Communication, Goal Setting, Team Leadership & Motivation, Conflict Management & Self Esteem Development, plus many more. Be prepared to put in the work, and be even more prepared to reap the rewards! Your time at camp will give you a greater understanding of these important skills so you can return home and be leaders in your community.

We expect everyone to fully participate in all camp programming to help create the best experience. In addition to our daily leadership seminars and classes, you will take part in round table discussions, team and self-esteem building exercises, nightly cabin discussions, and necessary chores. You will also be scheduled to give a presentation about your home country and showcase a special skill or talent you may have.

One of the best parts of camp is the focus on community building. From the moment you arrive at camp, until it's time to leave, staff and campers will engage in a variety of community-building events. This is a challenging, yet fun and exciting exercise in leadership and leadership skill development.

Due to the Waterton fires of 2017, camp is currently located at the Island Lake Retreat near Coleman, Alberta. With its location in the Rocky Mountains, we aim to give campers every opportunity to experience the extraordinary beauty of this area. During camp you will take part in hikes, horseback rides, and many other exciting outdoor activities!

This camp strictly abides by Lions International Youth Exchange Rules, and forbids any forms of drinking, drugs, dating, and/or driving. Smoking/vaping is also strictly prohibited.
